IBN SALEH AL HASHMI CONSTRUCTION

ISAHC - is one of the fastest growing construction firms in the Sultanate of Oman. The company was built in 1994 and since then, it has already executed lots of prestigious projects including multi-storey buildings, private villas, 3-4 star hotels, residential buildings and hotel apartments.

For the past 23 years, the company has proven their track record in excellence and quality service by meeting all industry standards that satisfied and has been appreciated by all our valued clients.

ISAHC has an ideal and intelligent approach focusing on the needs, concerns, hopes, and dreams of all our clients. Our corporate philosophy believes in completing projects on time while fulfilling and exceeding client's expectations.
